

VICTORIAN NOTICES TO MARINERS

The following Notice to Mariners is published for general information.

DATE 6th September 2017

AUSTRALIA - VICTORIA

No. 225(T) - 2017

LOCAL PORT OF BARWON HEADS

NAVIGATION EXCLUSION IN THE VICINITY OF WORKS
BARWON RIVER, BARWON HEADS

Date: With immediate effect.

Details: Mariners are advised that a storm water outfall pipeline is to be constructed into navigable water from the western riverbank of the Barwon River, Barwon Heads, immediately north of the Ozone Road Jetty. The contractor proposes a sheet pile cofferdam within which most works will be undertaken for the duration of the project.

A boating exclusion zone has been declared for navigable waters around the works site under the Marine Safety Act (2010) and published in the Victoria Government Gazette, G 35, 31 August 2017, page 1907.

For the purpose of works activity the navigation of all vessels is prohibited in the waters of the Barwon River 24 hours a day within five (5) metres around the sheet pile cofferdam, this zone marked by four (4) special mark buoys with lights along the navigable channel, as illustrated on the map below.

Further, for the purpose of works during the hours of 7am to 5pm Monday to Friday when contractor equipment is operating adjoining or within navigable water outside the sheet pile cofferdam an extended prohibition zone will be in place that extends 12 metres east of the head of the jetty and 30 metres to the north and will be marked by signage on the riverbank and a temporary line of floats, as illustrated on map below.

The controls to navigation in the vicinity of the works will apply up to Thursday 30th November 2017.

Mariners are requested to observe the instructions of the principal contractor, Draper Civil Contracting and the principal's sub-contractor Elstone Diving Services at all times when navigating in the vicinity of the construction site for the safety of all persons.

Mariners are advised to exercise caution when navigating in the area.

Further information can be obtained by contacting;
Draper Civil Contracting on 5248 2744 during usual office hours and
Local Port of Barwon Heads on: (03) 5254 1118 during usual office hours.
